Don't forget the new date for this month's Board Meeting. Tuesday May 26 .We meet at 5:30pm at Spring City Restaurant. All Club members are invited to attend.

~ Club Calendar ~

- May 22 – North Key Club Service Day**
- May 26 – Pancake Committee meeting**
- May 26 – Board Meeting**
- June 4 – Weekly Meeting at Weldall**
- June 6 – Food Pantry**

Tuesday May 26 is the date the Pancake Committee will meet at Noon. The place is Rochester Deli. A few members are not going to attend so the rest of the committee needs to show up and get this year's Pancake Breakfast off to great start.

7. Sharks are older than trees. Actually, sharks are older than a lot of things, including Polaris, the North Star, which is just about 70 million years old. Sharks could be Polaris's *grandpa*; they first appear in the geologic record potentially as far back as 450 million years ago. To put that into perspective, just think about the fact that even dinosaurs only emerged about 252 million years ago.
